Engineering Actions	Yes	No	Responsible	To happen by:	Complete																																																																																		
Update Blue File		<input checked="" type="checkbox"/>																																																																																					
Update Pink File		<input checked="" type="checkbox"/>																																																																																					
Update D-Part Master Binder	<input checked="" type="checkbox"/>		DS	01.06.25	01.06.26 <i>[Signature]</i>																																																																																		
Update Grey Project Binder		<input checked="" type="checkbox"/>																																																																																					
Update DEO Binder		<input checked="" type="checkbox"/>																																																																																					
Update Master Document List		<input checked="" type="checkbox"/>																																																																																					
Update Drawing Approval Record	<input checked="" type="checkbox"/>		DS	01.07.25	01.08.16 <i>[Signature]</i>																																																																																		
Update Change Record Form		<input checked="" type="checkbox"/>																																																																																					
Move Electronic File	<input checked="" type="checkbox"/>		DS	01.06.25	01.06.25 <i>[Signature]</i>																																																																																		
Notify TCA of Change	<input checked="" type="checkbox"/>		DS	01.07.25	01.08.16 <i>[Signature]</i>																																																																																		
Notify FAA of Change		<input checked="" type="checkbox"/>																																																																																					
Update QSI 021		<input checked="" type="checkbox"/>																																																																																					
Update QSI 036		<input checked="" type="checkbox"/>																																																																																					
Notes: - UPDATE IPP'S TO REFLECT LATEST REV. OF DWGS. - ROBERTO HAS ALREADY PROGRAMMED THESE PARTS. + THEY HAVE NOW BEEN MANUFACTURED. SUCCESSFULLY
